Health Advisor**

Overview

Occupational Health Advisor
Norwich – Clinic and Homebased
Part Time

About Us

PAM Group is a highly experienced Health and Wellbeing Specialist providing services to more than 450,000 employees across the UK in both the public and private sector. PAM Group is recruiting for growth. We have an exciting business plan and we are looking to recruit professional, talented and committed Occupational Health professionals from a variety of disciplines to join our business to help us achieve our growth plans with new and existing clients in our portfolio.

We'd like to talk to interested Occupational Health professionals about opportunities to join PAM Group and be part of our continuing success story.

Role

PAM has a diverse client portfolio and provides a stimulating work environment for its Occupational Health Advisors. We have the flexibility to provide work that fits with your career development and aspirations as well as your home life. No two days need look the same unless you want them to! The provision of training via our PAM Academy is second to none, and we foster team and partnership working where talent can shine- and is always rewarded.

As an Occupational Health Advisor at PAM you can work from home, from a PAM clinic or on a client site. You will undertake case management and produce management reports. Depending on your skills and experience you may undertake case conferences, absence reviews and case reviews. You will be supported 100% by you line manager, the regional management team and PAM Academy.

Your continuing professional development is really important to us, our in-house PAM Academy provides opportunities to learn and grow and we have a strong track record of investing in a wide range of qualifications and education programmes to help you further your career with us.
