Are you a qualified Nurse with experience Occupational Health or looking for career change into Occupational Health?

Would you love to use your nursing skills to deliver a variety of onsite Health Surveillance?

Delivering Immunisations and Vaccinations programmes?

Are you eager to be employed by one of the UK's largest Occupational Health providers who put their employees and customers in the heart of everything they do?

If you have answered 'Yes' this is the perfect role for you!

Role

A fantastic opportunity has arisen within PAM Occupational Health Solutions for a proven Occupational Health Nurse / Registered Nurse to join our team, and to continue the delivery of high quality services to one of our high profile clients. The role will consist of onsite clinic-based work as a team of two with an Occupational Health Technician, however the wider OH team to which this role will be part of, includes OH Advisers, OH Nurses, OH Physician, Physiotherapists, Occupational Hygienists and a Wellbeing Adviser

As an OHN you will undertake various medical & screening assessment and will be expected to work with the OH Technician to provide an opinion on the fitness of employees to undertake their role. Whilst the OH Technician will undertake the majority of measurements/test the Nurse will need to be able to undertake the necessary tests within each type of assessment, Examples of assessment /screening undertaken includes:-

- ❖ Pre-employment Health Screening
- ❖ Medical examination for screening purposes e.g blood pressure, eye tests, urine sample, BMI and lifestyle assessment
- ❖ Drug and alcohol screening
- ❖ Immunisation, Vaccinations and Phlebotomy
- ❖ Audiometric screening
- ❖ Lung function screening
- ❖ Vision screening
- ❖ Safety Critical
- ❖ Personal Track Safety

If you're looking for your next career move and are wanting to work with a rewarding company, please get in touch with our Recruitment department for a confidential chat about joining the PAM Team. Recruitment@pamgroup.co.uk

Your continuing professional development is really important to us, our in-house PAM Academy provides opportunities to learn and grow and we have a strong track record of investing in a wide range of qualifications and education programmes to help you further your career with us.

About You

- ❖ Registered General Nurse
- ❖ Hold a valid NMC Pin
- ❖ Previous experience of working with in Occupational Health and undertaking immunisations and bloods would be an advantage but not essential
- ❖ Effective communicator with strong listening and empathetic skills as well as the ability to influence and engage with others.
- ❖ Have experience dealing with complex health issues
- ❖ Effective Report Writing Skills
- ❖ Great Communication skills
- ❖ Good Organisational and time management skills

Our Values
