## About Us

PAM Group is a highly experienced Health and Wellbeing Specialist providing services to more than 450,000 employees across the UK in both the public and private sector. PAM Group is recruiting for growth. We have an exciting business plan and we are looking to recruit enthusiastic, driven and committed musculoskeletal rehabilitation professionals from a variety of disciplines to join our business to help us achieve our growth plans with new and existing clients in our portfolio.

## Role

Due to significant business growth PAM Physio Solutions are looking to embrace the skills of an enthusiastic and experienced musculoskeletal outpatients Physiotherapist and provide them with the opportunity to enhance their skills and become an expert in the specialist and niche domain of occupational health physiotherapy.

We are looking for Physiotherapists who are passionate about musculoskeletal rehabilitation and the assessment of individuals with acute, chronic and complex presentations in order to determine their physical capability. As part of our MSK team you will be involved in delivering Specialist Rehabilitation Services, Ergonomic Assessments, Case Management and delivering onsite training programmes.

Physiotherapists who are looking for a challenge to develop and progress within a unique discipline will thrive in the specialism of Musculoskeletal Occupational Health.

### Key Responsibilities

- ❖ Working as an autonomous MSK practitioner, managing a range of musculoskeletal conditions in an outpatient setting
- ❖ Delivering a thorough and detailed MSK assessment, using appropriate clinical techniques and equipment.
- ❖ Using clinical reasoning to diagnose patient problems.
- ❖ Delivering evidence-based intervention / treatment to all patients, in line with CSP, BASRaT and NICE guidelines, and in accordance with the PAM Wellbeing Treatment pathway.
- ❖ Delivering tailored, progressive, individualised physiotherapy treatment programmes and group exercise/education programmes using clinical assessment and reasoning skills.
- ❖ Formulating treatment plans / goals, assisting and enabling patients to achieve their treatment goals and targets.
- ❖ Providing appropriate advice based on the patient's medical, social and cultural circumstances.
  - ❖ Maintaining accurate, comprehensive, contemporaneous patient records in line with CSP standards of practice.
