About Us

PAM Group is a highly experienced Health and Wellbeing Specialist providing services to more than 450,000 employees across the UK in both the public and private sector. PAM Group is recruiting for growth. We have an exciting business plan and we are looking to recruit professional, talented and committed Occupational Health professionals from a variety of disciplines to join our business to help us achieve our growth plans with new and existing clients in our portfolio.

We'd like to talk to interested Occupational Health professionals about opportunities to join PAM Group and be part of our continuing success story.

Role Overview

Are you an experienced Occupational Hygiene Technician looking for a new role and eager to be employed by one of the UK's largest Occupational Health providers who put their employees and customers in the heart of everything they do?

We have an exciting opportunity for an Occupational Hygiene Technician to work with a qualified Occupational Hygienist within a truly multidiscipline occupational health team of OHA, OHN, OHT, Physios, OHP and Wellbeing Advisor on a major infrastructure construction project. This position would particularly suit someone early in their career working towards the BOHS Certificate of Operational Competence in Occupational Hygiene.

If you have answered 'Yes' this is the perfect role for you!

Duties and Responsibilities

- ❖ Undertaking Occupational Hygiene monitoring surveys at various client sites, for Airborne Contaminants, Noise, Hand-Arm Vibration, Whole Body Vibration, etc. as per the planned monitoring programme.
- ❖ Calibration and maintenance of monitoring equipment as appropriate.
- ❖ Collecting and collation of monitoring data and compiling Occupational Hygiene technical reports for the client, giving advice, support and recommendations where appropriate.
- ❖ Uploading monitoring data onto the client database in a timely manner.
- ❖ Participating in Occupational Hygiene training and awareness sessions as required.

Your continuing professional development is really important to us, our in-house PAM Academy provides opportunities to learn and grow and we have a strong track record of investing in a wide range of qualifications and education programmes to help you further your career with us.
